The Callippe Women's Golf Club (CWGC) is a group of women golfers of all levels who enjoy golf and socializing with other women golfers. Our club was established in 2006 and is affiliated with the United States Golf Association (USGA) through membership in the Pacific Women's Golf Association (PWGA). Membership is open to amateur women golfers 18 years of age or older. The purpose of our club is to offer competitive golf in a variety of fun formats, to promote fellowship and friendship among our members. We presently have about 60 women in our membership of all ages and abilities.

We play regularly on Thursday mornings, 8:30 during the summer and 9:00 in the winter.
