INAUGURAL BUSINESS LEAGUE

ABOUT THE COMPETITION

The league will run tentatively 12 weeks of competition. Each week, your team will play a different team with the opportunity to win a total of 8 points per week. Two points will be awarded to the winners of the individual matches, 1 point for a tie, and 0 points for a loss. The matches will be scored by subtracting the player's handicap from the gross score and determining a winner. The lowest handicap player will be #1 the second lowest #2 and so on down the lineup. Please remember this is a stroke play competition, so there are no “gimmie” putts allowed.

Points will be tallied throughout the season and the 4 teams with the most points at the end of the season will compete for the Championship. The Champion will be determined by adding all four net scores and the team with the lowest net score will be crowned Champions of the Business League, a tie for first place will be broken by a chip-off on the putting green. Other ties will be broken by a scorecard playoff.

USGA rules will govern all play. If your unsure of the particular rule, you may play an alternate ball. Any disputed matters will be decided by golf shop staff. Their decision will be final.
